Immunization Policy

Entering students must present documentation of immunization as part of the enrollment process at Rocky Mountain College. Montana state law requires proof of two measles and rubella immunizations for all students unless born before January 1, 1957. Prior to enrollment at Rocky Mountain College, prospective students must complete the immunization section of the health service form. If adequate documentation is not available, immunization must be performed at the Rocky Mountain College Health Service Center or a medical provider of student’s choosing upon arrival.

Students with incomplete immunization records cannot register for classes.
