Roommate Information Form

Please take a moment to reflect on these questions before responding. Remember, the more detail you provide, the better we will be able to serve you and assign appropriate roommates. It is the goal of the Residence Life Office to create respectful and safe roommate assignments that will support your residential experience at Rocky Mountain College.

Name _____________________________________________ Date __________________            □ Male   □ Female
Home address ___________________________________________________________________________________
City ________________________________ State ____________ Zip ____________ Country ___________________
Home phone (____)_______________________________ Cell phone (____)_________________________________
Email address ___________________________________________________________________________________

Academic Interest (check one)
☐ Aviation   ☐ Education   ☐ Fine Arts   ☐ Science   ☐ Equine
☐ Business   ☐ English   ☐ Language   ☐ Social Science   ☐ Other ______________

☐ Environmental   ☐ Outdoor Recreation   ☐ Residence Hall Association
☐ Peer Education   ☐ Student Government   ☐ Event/Activity Planning

Lifestyle (check one on each line)
I prefer to study: ☐ only in complete silence ☐ in most situations ☐ with soft music
I prefer my room to be: ☐ very neat ☐ semi-neat ☐ “lived-in”
I typically go to bed: ☐ before 11:00 p.m. ☐ after 11:00 p.m.
I typically wake up: ☐ before 8:00 a.m. ☐ after 8:00 a.m.

Please list three qualities you would like to see in a roommate(s):
1. __________________________________________________________________________________________
2. __________________________________________________________________________________________
3. __________________________________________________________________________________________

Roommate Request
If you have connected with another incoming student at a campus visit event or have a friend who will also be attending RMC and would like to potentially room with that person, please let us know. Every attempt is made to ensure a positive roommate pairing. Roommate requests are always taken into consideration, but are not guaranteed.
1. __________________________________________________________________________________________
2. __________________________________________________________________________________________
3. __________________________________________________________________________________________

One last thing you would like us to know about yourself:
________________________________________________________________________________________
________________________________________________________________________________________

If there is further information that you would like to share with the housing staff, feel free to include additional pages.
