

**STUDENT ESSAY**

Applicant's Name \_\_\_\_\_

Successful Rocky Mountain College students actively engage in the learning process through class attendance, classroom participation and commitment to study outside of the classroom. In addition, the successful student values the student/faculty relationship, works collaboratively with fellow students and participates in co-curricular and extra-curricular activities. In a brief essay, please describe your personal characteristics and/or experiences which you feel will make you a successful student at Rocky Mountain College. Use additional pages if necessary.
