### FOR IMMEDIATE RELEASE

BILLINGS – Perfect weather, college alumni and friends, and a good cause made a winning recipe for the 10th Annual Rocky Mountain College Golf Scramble June 25, 2010 at Peter Yegen Golf Course.

Eighteen teams, with participants coming from Wyoming and Washington as well as Montana, vied for prizes at the tournament sponsored by Premier Sponsor BIOMET Osteosystems, and Major Sponsors Dennis Hall and Ed Ayers of D.A. Davidson.

“We raised more than \$4,000 which goes to the RMC Alumni Association Endowment Fund for dispersal as scholarships to students each year,” said Vick Davison, RMC director of alumni relations and special events.

In addition to the premier and major sponsors, Davison thanked hole sponsors Carl Hansen, Hansen Wealth Management, and Crowley Fleck, PLLP; staff and students who volunteered to help with the tourney; and the staff at Peter Yegen for professional guidance and assistance.

“It was a fun day and thanks to everyone it was a good day for our students who will benefit from scholarships,” Davison added.

The winning team was BIOMET Osteosystems with players Scott Hatler, Jim Sullivan, Dan Sullivan and Mike Schmitt.

The 18-hole scramble was followed by a catered BBQ at the golf course.
