FOR IMMEDIATE RELEASE

BILLINGS -- -- The 7th Annual Rocky Mountain College computer programming  
competition for high school students, sponsored by the RMC Department of Computer  
Science and participating companies from the Billings computer technology sector, will be  
held on Saturday, April 10, 2010, beginning at 8:30 a.m.

As in previous years, the top finishers from the Western Region Competition (to be held  
March 13, 2010 at Missoula Sentinel High School) will be on hand to participate,  
defending their title as reigning champions.
