BILLINGS – The public is invited to join Rocky Mountain College students on a December 2011 trip to China.

The trip, from December 8 through December 23, is designed as a course for RMC business students, and includes one week in Shanghai and one week in Beijing.

Those on the trip will study and observe the Chinese economy as well as its society, business, culture, and people. They will also have the opportunity to learn about opportunities, challenges, and problems that exist in China today, especially China as new member of World Trade Organization (WTO).

The group will have opportunities to communicate and exchange ideas with Chinese business students and business professionals. Furthermore, an opportunity will be created for students to visit Chinese organizations and to discuss opportunities for partnerships and joint ventures.

Of course, historical and cultural sites such as The Great Wall and Forbidden City will be visited. The group will spend time in Beijing and Shanghai and have the opportunity to acquaint themselves with Chinese culture and life.

Members of the public may audit the course. The cost is \$3,400, which includes a \$1,500 deposit, due April 30 (the balance is due Sept. 9, 2011). Non-Rocky students must add a \$105 audit fee. All transportation and some meals are included.
