FOR IMMEDIATE RELEASE

BILLINGS – N. Gregory Kohn has been named vice president of human resources and community relations at Rocky Mountain College. Kohn was promoted from executive director of human resources.

Kohn will be responsible for providing vision, leadership, planning and management for the RMC human resources department, and for communicating RMC's core message with outside organizations and within the community and region. He is responsible for soliciting support from public and private agencies, organizations, and community leaders to achieve the mission and goals of the college.

Kohn brings a long history of senior-level management and human resource experience to the new position. Kohn received his bachelor's degree from Heidelberg College in Tiffin, Ohio. He has a master's degree in management from Aquinas College in Grand Rapids, Mich. Kohn is a certified professional in human resources.

Kohn is also a board member of the Montana Chamber of Commerce and the Big Sky Economic Development Authority.
