BILLINGS -- Mindi Bouchard, a 2001 Rocky Mountain College graduate, has been hired as the assistant volleyball coach at Rocky Mountain College.

Bouchard played for the Battlin' Bears in 1999 and 2000 after playing at Northwest College for the previous two years. At Rocky, she was selected second team all-conference and Frontier conference player of the week.

“I am excited to have Mindi join our coaching staff. She will be an asset to the volleyball program. She brings to the table a lot of experience in volleyball and a strong history with Rocky Mountain College Volleyball,” said Coach Laurie Kelly

Mindi graduated from Manilla High School in Utah where she was a two- time all state selection in volleyball and basketball. Mindy earned a bachelor of science degree in math education. She and her husband, Ryan, have two children, Isaiah, 9, and Noah, 7.

“Mindy really will have a chance to have an immediate impact on the program on and off the court. She brings insight not only to the game but also relationships that will extend off the court and into the community. It's always great to have alumni come back to Rocky and be a part of the program.” Rocky Athletic Director Robert Beers
