FOR IMMEDIATE RELEASE

BILLINGS – Because of the increase in season pass holders entitled to preferred parking, the Tech Hall parking lot, immediately east of Herb Klindt Football Field, will be charging parking fees beginning with the first home game, Saturday, August 27, 2011.

“We’re trying to maximize our pre-game tailgating events during the football season. We have seen an increase in the number of people in our Athletic Association and with a membership comes preferred parking,” said Robert Beers, Rocky Mountain College director of athletics.

Beers said season pass holders receive special consideration for seating, parking, and other benefits. For information about becoming a member of the Rocky Mountain College Athletic Association, season passes or purchasing an event parking pass, contact the RMC athletic office, (406) 657-1124.
