FOR IMMEDIATE RELEASE

BILLINGS -- Rocky Mountain College students will be traveling door-to-door this Halloween to collect non-perishable food items for local food banks as a part of the "Trick-Or-Eat" program. Students are asking residents of Billings to please consider setting aside non-perishable food items to be donated to people in need through the Billings Food Bank.

Student volunteers will do their best to reach every house in the neighborhood on Oct. 31, 2008. However, if your house is missed and you would like to donate, feel free to drop your donation off at the Bair Family Student Center located in the middle of the RMC campus on Saturday, Nov. 1, 2008 between 8:00 am and 4:00 pm.

For more information contact Kyle Schweissing, Rocky Mountain College Intersivity Club at kyle.schweissing@rocky.edu.
