

2019-2020 Verification Worksheet for Dependent Students

Your 2019–2020 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says we have the right to ask you for this information before awarding Federal aid. In this process, RMC will be comparing your FAFSA information with the information on this worksheet and any other required documents. If there are differences between your FAFSA information and your financial documents, RMC will make the corrections and notify you in writing. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit this form to the RMC Financial Aid office **as soon as possible** so your financial aid won't be delayed. If you have questions about verification, please contact us. Verification must be completed no later than 14 days prior to the end of the first semester of enrollment. **Failure to complete verification will result in the cancellation of all federal and institutional need-based aid. No federal loans or grants or institutional need-based aid will be disbursed until verification is complete.**

C. Student and Parents Verification of Income Information

The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov. In most cases, no further documentation is needed to verify 2017 income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed by the FAFSA filer. If you have not already used the IRS DRT, go to FAFSA.gov, log into your FAFSA record, and navigate to the Financial Information section of the form. From there, follow the instructions to determine if you and your parents are eligible to use the IRS Data Retrieval Tool to transfer 2017 IRS income tax information into your FAFSA.

If the IRS Data Retrieval Tool cannot or will not be used, an IRS Tax Return Transcript (not a photocopy of the tax return) must be submitted to Rocky Mountain College. A 2017 IRS Tax Return Transcript may be obtained through:

- **Get Transcript by MAIL** - Go to www.irs.gov, under the Tools heading, click "Get Your Tax Record." Then click "Get Transcript by Mail." Make sure to request the "IRS Tax Return Transcript" and **NOT** the "IRS Tax Account Transcript."
- **Get Transcript ONLINE** - Go to www.irs.gov, under Tools heading, click "Get Your Tax Record". Click "Get Transcript Online." Make sure to request the "IRS Tax Return Transcript" and **NOT** the "IRS Tax Account Transcript."
- **Automated Telephone Request** - 1-800-908-9946
- **Paper Request Form** - IRS Form 4506T-EZ or IRS Form 4506-T

Generally, for electronic IRS tax return filers, 2017 IRS income tax information is available for the IRS DRT or the IRS Tax Return Transcript within 2 - 3 weeks after the IRS income tax return has been accepted by the IRS. For 2017 paper IRS income tax returns, allow 6-8 weeks after the 2017 paper IRS income tax return has been received by the IRS.
