

Minor in Biology Advising Worksheet – See also Course Catalog

A minimum of 20 semester hours in BIO with at least 6 credits of upper division courses, plus one chemistry course with a laboratory component.*

Course Number	Course Title	Semester Completed	Grade	Credits
Required course in CHM with lab:				

*BIO 450 internship credits do not count towards the completion of the minor. The following courses may count as BIO electives: ESC 307, ESC 314, and ESC 325. EQS 300 will be accepted as a biology elective for students who have successfully completed BIO 120, CHM 101, and CHM 102.

Note: This worksheet is only a tool to help in the advising process. Please refer to the course catalog to verify additional degree requirements. Students should meet with their advisor regularly and keep track of progress toward their degree.
