## Big Sky Big Man Camp

The goal of Big Sky Big Man Camp is to help lineman develop their technique, as well as their physical and psychological character.

Players will have the opportunity to receive specialized instruction from various college football coaches. The camp features coaches from many of the Frontier Conference schools and representatives from the Big Sky Conference as well.

This special process is for a demanding position that will ultimately determine the success or failure of a team.

## Camp Details

**Objectives:** All lineman will rotate through the offensive and defensive drills:
