

## **Rocky Connections: Peer Mentoring Program**

We are looking for students who want to become leaders on campus and who are excited about helping new students transition and become successful in college. We want students who are willing to serve as positive and academic role models and are knowledgeable about campus resources. Most importantly, we want students who are willing to work hard and have fun while doing it.

The Rocky Connections peer mentoring program is committed to enhancing student development by encouraging growth in the areas of academic achievement, effective communication and problem solving, community responsibility and involvement, and personal and educational goals. Furthermore, the peer mentoring program is dedicated to facilitating meaningful interactions between mentors and mentees in a collaborative relationship. Through this perspective, Connections mentors will play a pivotal role in aiding students as they successfully contribute to the RMC community as well as enrich their higher education learning experience.

### **Connections Mentor Position:**

**Title:** Connections Mentor

**Division:** Student Life

### **Job summary:**

Peer mentoring creates connections between first-year students and the college. These partnerships provide structure for goal setting, experience-based guidance, and in many cases, impactful friendships. In addition to the inherent benefit of the mentor/mentee relationship, you will assist students through:

- ï Academic success plans
- ï Monthly one-on-one meetings
- ï Monthly group meetings/activities
- ï Engaging in campus events

### **Responsibilities:**

You will be responsible for meeting with your mentees on a regular basis, fully participating in New Student Orientation, Leadership Summit, monthly leadership trainings, monthly follow up meetings with a Student Affairs professional, assessment and documentation of student progress, and aiding in academic support programs.

### **Minimum requirements:**

Must be at least a sophomore (have completed two semesters) to be considered, and must maintain a minimum 2.5 GPA.

### **Benefits:**

- ï semester stipends
- ï leadership skill development
- ï written and verbal communication skill development
- ï resume-worthy experiences
