1. What were the student's responsibilities?

2. What kind of training was provided? Circle as appropriate and add any additional information as necessary to explain.

- a. Orientation to the company
- b. Formal training program
- c. On-the-job training
- d. Other (classes, etc.)

3. Please explain the provisions for supervising the student (regular meetings, setting goals, review process, etc.)

4. Please comment on the appropriateness of the student's academic training as it relates to this assignment.
5. Please state any suggestions you might have which would help the student to improve in this career field.
6. Would you hire the student as a full-time employee if there were an open position?
7. Please provide any suggestions/comments for improvements to the RMC experiential education program.

Please review this evaluation with the intern to provide productive feedback on the experience. Your signature also authorizes the office of Career Planning and Placement to release these comments to promote the RMC internship program.
