

Minor in Chemistry Advising Worksheet – See also Course Catalog

A minimum of 22 semester hours in CHM courses, with at least 6 credits upper-division, including:

Course Number	Course Title	Semester Completed	Grade	Credits
CHM 101	General Chemistry I			
CHM 102	General Chemistry II			
CHM 251	Organic Chemistry I			
Choose electives to bring the credit total in CHM courses to at least 22:				

^{*}All electives must be 200-level and higher chemistry courses, excluding CHM 220. A minimum of one elective course must have a laboratory component. Internship credits do not count toward the 22 chemistry semester hours required in the minor. A minimum of 6 upper-division hours is required to complete the minor.

Note: This worksheet is only a tool to help in the advising process. Please refer to the appropriate catalog to verify additional degree requirements.
